E-mail: jssales@broadmoor.com

J&S Audio Visual, Inc. offers audio visual equipment rental and event production services on-site at The Broadmoor. We want to make this portion of your meeting as simple for you as possible. We hope you will take advantage of our knowledgeable audio visual specialists and give them the opportunity to help you create a customized program that will meet your needs and expectations.

J&S Audio Visual works closely with The Broadmoor staff and is familiar with the facility and its systems and can offer clients the most successful audio visual service. For your convenience your J&S Audio Visual representative will be happy to assist you with each of the following:

EQUIPMENT RENTAL J&S Audio Visual maintains an extensive on-site inventory of the most advanced audio-visual technology available. This service sheet includes the most often requested equipment and services. Additional equipment and services are available upon request.

EVENT PRODUCTION J&S Audio Visual provides event production through its internationally acclaimed Show Services division.

Your on-site J&S representative will help you utilize audio visual to enhance your event, carry through a theme, and create a unique and memorable experience.

RIGGING To ensure the safety of The Broadmoor's guests, staff, and facilities, J&S Audio Visual is responsible for all rigging. Rigging encompasses attaching any hardware, equipment, or props to the facility's ceilings or walls.
