Pet's name(s)

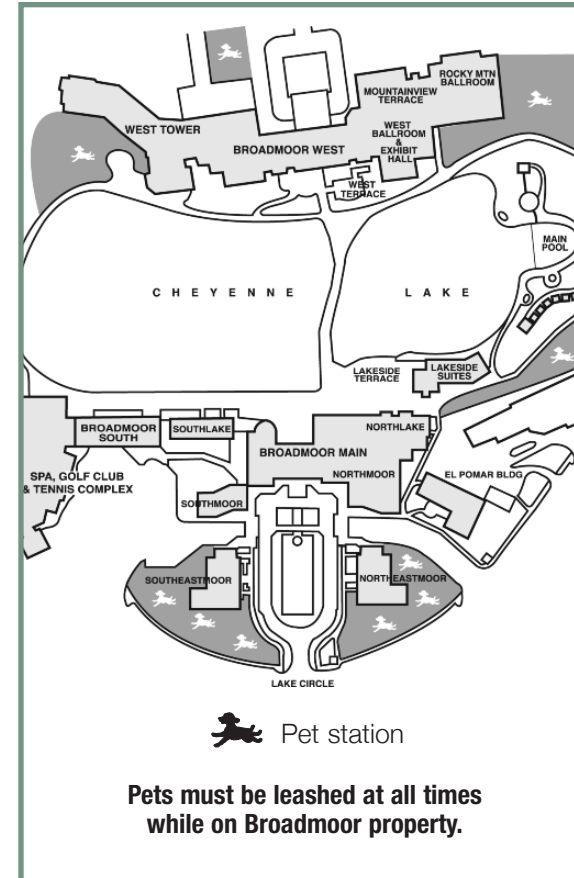

Detach this card and display on outside of door when your pet is occupying the room.

### PITTY PAT CLUB GUIDELINES

The following guidelines will ensure that everyone's visit is enjoyable from start to finish:

-  Pets must be registered during check-in at the Front Desk. A complimentary Broadmoor Identification Tag will be presented to you, which must be worn by your pet throughout your stay.
-  You will find a \$75.00 pet fee, per pet, per day added to your room account. This fee is based on a 2-pet maximum per room.
-  **Guests are responsible for any damage or disruption pets may cause. If deep cleaning is necessary, an appropriate fee will be added to your room account. Guests will also be held accountable for any complaints resulting in financial loss to the hotel. If your pet is left unattended in your room and neighboring guests are disturbed, your pet will be taken to Security at a rate of \$25 per hour. Should this occur, please contact extension 5101 for retrieval of your pet.**
-  Advance reservations are required for Pet Sitters. Please reference the Pet Care & Sitting Information section.
-  Please display your **attached** Pet Occupancy Card on the outside of your guest room door at all times.
-  **Pets must be leashed at all times.**
-  A clean-up packet is provided for use in the designated outdoor pet areas.
-  Pet stations are available in designated areas only, as noted on the property map. **Only assistance animals are allowed in restaurants.**
-  Housekeeping services need to be pre-arranged with Housekeeping so that the pet is with his or her owner or out of the room during service. Housekeeping will contact you to arrange the cleaning schedule for day service and turndown.
-  Pets are not permitted in restaurants, on our golf courses, tennis courts or in our pool areas. **Assistance dogs are exempt.**
-  There is a maximum of 2 pets per room.

### BROADMOOR PET MAP

Dear Broadmoor Guest:

Spencer and Julie Penrose shared a love of animals, domesticated and wild, as evidenced by the Hippodrome of past and the Cheyenne Mountain Zoo, which remains a landmark to this day. It was not uncommon for Mr. Penrose to entertain guests with visits from his spider monkeys, otters or bears. Julie was seldom seen without her beloved poodle and faithful companion, Pitty Pat, for whom our Pet Club is named. History reflects that animals have always been a part of our resort. In keeping with this tradition, it seems only fitting that we invite you and your companion to enjoy The Broadmoor. Thank you for choosing us as your destination.

**For your pet's comfort and your convenience, our staff will be placing special Broadmoor bedding and food bowls for use while in residence. A complimentary pet treat will also be provided.**

The Broadmoor Pet Boutique carries all of the items for purchase, along with a unique array of pet products. For those with a pampered palate please contact Room Service to order from our Pitty Pat Pet Menu.

To ensure an enjoyable stay for you and your companion, we have included local maps to pet parks and scenic walking areas that are pet friendly. While on property please visit the Northeastmoor, Southeastmoor and West lawns for pet stations. These areas are marked on the Broadmoor Pet Map. We have also included the contact information for our preferred pet specialists, who offer walking and pet sitting services.

*Creating a memorable experience for you and your pet is our primary goal. We encourage you to share any feedback on your in-room comment card.*
